

RECORD GROUP 17:

Graduate Division, 1950-

In 1950 the University began a graduate program with an initial program offering of a Master of Art in English and a Master in Teaching Social Studies. Today the division offers advanced degrees and certificates in Alcohol and Drug Studies, Biology, Business Administration, Clinical Art Therapy, Computer Science, Counseling Psychology, Education, Engineering, Fine Arts, Mathematics, Movement Therapy, Public Administration, Religious Education, and Sociology. The records of this group include publications such as catalogs and newsletters and correspondence files of the Dean. In addition records of the Martin Gang Institute for Intergroup Relations and the Center for Pastoral Studies will be found in this record group.
