Campus Ministry, 1929-

This group contains materials from a long-standing University division. Originally titled University Chaplain and begun in 1911, this division became known as Campus Ministry in 1973 with a stipulation that the Director would be a Jesuit. By 1986 this requirement was waived when Sister Mary Margaret Dolan from the Religious of the Sacred Heart of Mary became Director. The records primarily include announcements, correspondence and liturgical materials supporting the religious life of all faiths on campus.
