

## RECORD GROUP 19

### RELIGIOUS ORDERS, 1918 TO PRESENT DAY

Since the merger of Loyola University and Marymount College in 1973, the religious have been gradually released from direct responsibility for the administration of the institution. Yet the Society of Jesus and the Religious of the Sacred Heart of Mary maintain residential quarters on campus and continue an influence of campus life. Substantial records for these orders are to be found in their respective provincial archives however incidental records for the local communities may be found here. Those records primary include publicity materials, memorabilia and death notices.
