

RECORD GROUP 4

Academic Affairs, 1911-

This division is one of the oldest of the University community. Beginning as College Secretary in 1911, the unit office evolved as Prefect, Moderator, Dean, Vice-President of Studies and Dean of Discipline. In 1952, the current title of Academic Vice-President was established as the highest University officer charged with overseeing all academic divisions.

Today this record group includes publications such as catalogs, the literary journal *Attic Salt*, and newsletters such as *News Notes* and *Loyola Life*.

Also included in this record group are correspondence and report files from the Vice-Presidents, Registrars, Librarians, Directors and others. There is a substantial artificial collection of unpublished narratives, journal articles and news clippings pertaining to local Westchester and del Rey history in the records of the Library.
