

RECORD GROUP 9

UNIVERSITY RELATIONS, 1917 TO PRESENT DAY – SERIES D1-D6

Although this division was not formerly established until 1964, records of fund-raising activity date to 1911, the founding of the University. Today these files include those of the Vice-President of University Relations and the heads of Development, Public Relations and Alumni Relations.

A newspaper clippings collection of approximately 50 linear feet dates from 1919. There are also approximately 10 linear feet of press releases issued by Public Relations since 1928. Many campus publications have been created by this department and issue runs include magazines *Loyola* and *VISTAS*; newspapers *Lion & Gryphon*; *Spirit* and the newsletters *This Week*, *This Month*, *LMU News*, *Grapevine*, *Loyola Letter*, *Community News* and *Development Report and Honor Roll*.

Development Department records contain donor files beginning with a small box of index cards that records the names of approximately 500 donors to the university's first major capital campaign, the Building Fund of 1928. We request that researchers contact staff regarding access and restrictions for the donor files.

Alumni Relations records include the magazine *Alumnus*, alumni directories, Alumni Association files and numerous artifacts from reunions and other activities. These alumni activity files include those of graduates of the original St. Vincent's College.
